

BG Pearl Dots

Date of Birth: 05/12/2023
Registration 1: CI347623
Breeder: Gasperson Cattle Co.
Owner: Gasperson Cattle Co.

Courtesy of Gasperson Hatcher Ranch

Meet Pearl Dots, a beautifully unique heifer with a predominantly white coat adorned with scattered black and brown spots, resembling delicate pearls across her hide. Her sleek, well-balanced frame and gentle stance reflect both elegance and strength. Though her horns are still growing, they show the promise of developing into the signature wide spread of the Longhorn breed.
