

Jackie Roslin SSDate of Birth:03/04/2020Registration 1:Cl325333Breeder:SchmaucherOwner:Gasperson Cattle Co.

Courtesy of Gasperson Hatcher Ranch

Meet Jackie Roslin, this striking girl has a rich auburn base coat that covers most of her body interspersed by distinct white spots. These patches are scattered across her back and legs, creating a beautiful contrast. Roslins' horns are reaching an impressive 70 inches in length. The combination of the auburn coat, white spots, and the majestic horns makes this cow a fan favorite, not to mention her friendliness.
